Dear Parents and Students of Classroom 107,

Warm greetings! My name is Mrs. Janet Hernandez, and I am honored to be the lead Montessori teacher for your child while Ms. Sebial takes a medical leave to focus on her health.

Helping students grow and succeed brings me immense joy and a sense of purpose. My primary goal is to inspire a love of learning in every child. With this love of learning, students become inquisitive, creative thinkers and problem solvers, skills they can carry far beyond our classroom.

I hold a Bachelor's Degree in Liberal Arts from California State University Fullerton and a Master's Degree with a California Teaching Credential from National University. My teaching journey began in 2004 in public schools. When a friend introduced me to Arborland, I was captivated by the unique and dynamic learning process I witnessed. The engaging materials, the students' enthusiasm, and the strong teacher-student connections made me realize that Arborland was where I belonged. Since joining the school, I've had the privilege of teaching in Arborland's elementary program for 11 wonderful years.

Thanks to Arborland's support, I also earned my Elementary Montessori Teaching Credential. I see Arborland as a place where children thrive in all areas of development—intellectual, emotional, and physical.

During this transition, I will work closely with Ms. Sebial to ensure continuity and a smooth adjustment for the children. I am excited to bring my knowledge, enthusiasm, and experience to Classroom 107 and look forward to supporting your child's growth throughout this school year. Together, we will create a nurturing and stimulating environment where each student can flourish.

I look forward to getting to know your children and working with you.

Yours Truly,

Mrs. Janet Hernandez, M.A. Ed.
